

National Education Mascot

Merchants,

It pay to use Witty Owl to promote your business in front of your establishment, or to use him to sell you merchandise in a video or television commercial. We can produce the video to your specifications or you can do it yourself. Just give us an idea and we will do the job per request.

Call or E-mail us for a personal consultation. You can be part of a big idea in America by helping Witty earn money so we can continue to reward the students of America for good grades and attendance. Our goal is to encourage all students to stay in school and continue on the road to success.
